**BCN31 - THE WORLD OF GAUDÍ: COLÒNIA GÜELL, SAGRADA FAMÍLIA & TAPAS CULINARY EXPERIENCE****culture and history**

While Barcelona is undoubtedly one of the best cities to view the works of master architect, Antoni Gaudí, it is certainly not the only place you can find his fabulous creations. One such place is a stone's throw from Santa Coloma de Cervelló, just a short drive from Barcelona. This is where Gaudí's Church of Colònia Güell stands as part of the larger Colònia Güell complex, founded by the Catalan industrialist, Eusebi Güell, at the end of the 19th-century. Despite only the crypt ever being completed, the church is noted for its spacious feel as well as structural features like slanted columns and building materials including basalt rock and mosaics. The drive back to Barcelona will then take you down Avinguda Diagonal, a major thoroughfare that bisects the city, to reach Gaudí's masterpiece, the Sagrada Família. Following an approx. 10-minute walk from the parking lot, your guide will tell you all about this hugely ambitious project as you walk around. After a tapas lunch in a restaurant in the El Born Quarter, you will get to walk down the super-elegant boulevard to catch outside views of further Gaudí highlights like Casa Batlló and Casa Milà. To round off your experience, some free time will also be yours to spend near Barcelona's main square, Plaça de Catalunya, before you return to your ship. Please note: this tour is not suitable for guests with walking difficulties or using a wheelchair.
